

## Wine Club Newsletter Fall 2022

Dear Wine Club Members,

We send Fall greetings to you as we enter the busiest time of year in Paso Robles with harvest time now upon us. We hope you enjoyed a fantastic summer. On September 9th the vineyard bottled four different varieties and we are eager to get them out to you. Your Fall quarterly shipment includes two of the new wines; the 2018 Petite Sirah Reserve and the 2018 Epic Red Blend which is a blend of 50% Petite Sirah and 50% Cabernet Sauvignon. Both of these new wines are very limited productions. 62 cases of 2018 Petite Sirah Reserve were bottled. This wine was barrel aged for four years in new French Oak barrels made by French cooperage Saury. Like the 2014 Petite Sirah Reserve which was also aged for four years before bottling it back in 2018 (and sold out quickly!), we continue the tradition of using a black wine label for this special wine, and the Reserve designation. We think you'll find the 2018 Petite Sirah Reserve to be a bright and lively wine, luscious with dark fruit that awakens your back pallet. In our experience, the Petite Sirah harvest at Wilson Family Vineyard never disappoints. This grape does exceptionally well in our section of Paso Robles known as the "Templeton Gap". 56 cases of the 2018 Epic Red were bottled, and as a wine club member you may know this is consistently one of our most popular wines, very full-bodied yet soft and lush with flavors of plum and blackberry fruit.

Lastly, two other varieties were bottled on September 9th that will ship out to members in your fourth quarter winter shipment. The 2017 "Eclipse" is a new and beautifully blended pairing of Syrah and Mourvèdre, and the 2018 Cabernet Sauvignon, a first for the vineyard.

Robert, owner of the popular Fritto Misto Italian Restaurant with locations in Santa Monica and Manhattan Beach, just texted us, "We are on our last case of Epic Red. The Petite Sirah is long gone. All of our guests and staff love your wines. Congratulazioni!" Thank you for the kind words, Robert! If you are ever in Santa Monica or Manhattan Beach, be sure to visit Fritto Misto.
