

Wine Club Newsletter Winter 2023

May Your Holidays Be Bright!

It's with great pleasure the vineyard sends the final 2023 shipment in time for the holidays. May you enjoy the Season to the fullest with family and friends.

This shipment includes the 2018 Petite Sirah Reserve, our most full-bodied offering rich in texture, black-currant, acai and Concord grape aromas prove very purple on the nose of this bottling, and there is also a touch of cracked pepper and dried lilac. The black-currant core of the palate is lifted by rosemary blossoms, rainbow peppercorns, chocolate and roasted wood flavors, all framed by sticky tannins.

Compared to the 2018 Petite Sirah Reserve, the 2017 Eclipse is much lighter in texture. This is also included in your holiday shipment. This delicious blend is 70% Syrah and 30% Mourvedre providing a beautiful light to medium bodied blend rich in tartness of black berries and cranberries but with a splash of sweetness. The tannins and oak complement the fruit. Bright acidity keeps it lively on the palate and the finish is long, flavorful and fresh.

Thanksgiving time at the vineyard was especially beautiful this year, following the busy harvest season during the month of October. The harvest was very successful with four varieties of grapes: the two legacy varieties of Petite Sirah and Syrah, along with the new Cabernet Sauvignon and Grenache grapes. These were taken to *Vino Veritas* in Paso Robles for crushing, storage, and fermentation. Newly purchased French Oak barrels were added to the rotation of existing barrels as some of the old barrels were retired. The new barrels will provide greater Oak impact to the future bottling of the 2023 vintage.

Thank you for allowing Wilson Family Vineyard to count you among our wine club membership. It is greatly appreciated. We wish you Merry Christmas and Happy New Year! Cheers!

For Wine Club Members Only

Use discount code WFV20 when placing orders on the website at www.wilsonfamilyvineyard.com. This provides a 20% discount on all wines.
